TIGER 68

Our town is not a fashionable one . . . the buildings are old . . . the streets, narrow. The stores wear not the bright neon jewels of the city . . . on the corners, no sign of overshadowing traffic lights. The homes are simple in structure and style . . . the church buildings, a basic white frame.

The train passes through twice a day; there is seldom a fire; and the bank very rarely sees a robber. The traffic is sparse, the pets, plentiful . . . the kids, kids.

Life . . . viewed on the surface . . . is unassuming, uncomplicated, easy going, and friendly. This is our corner of America and we love it.

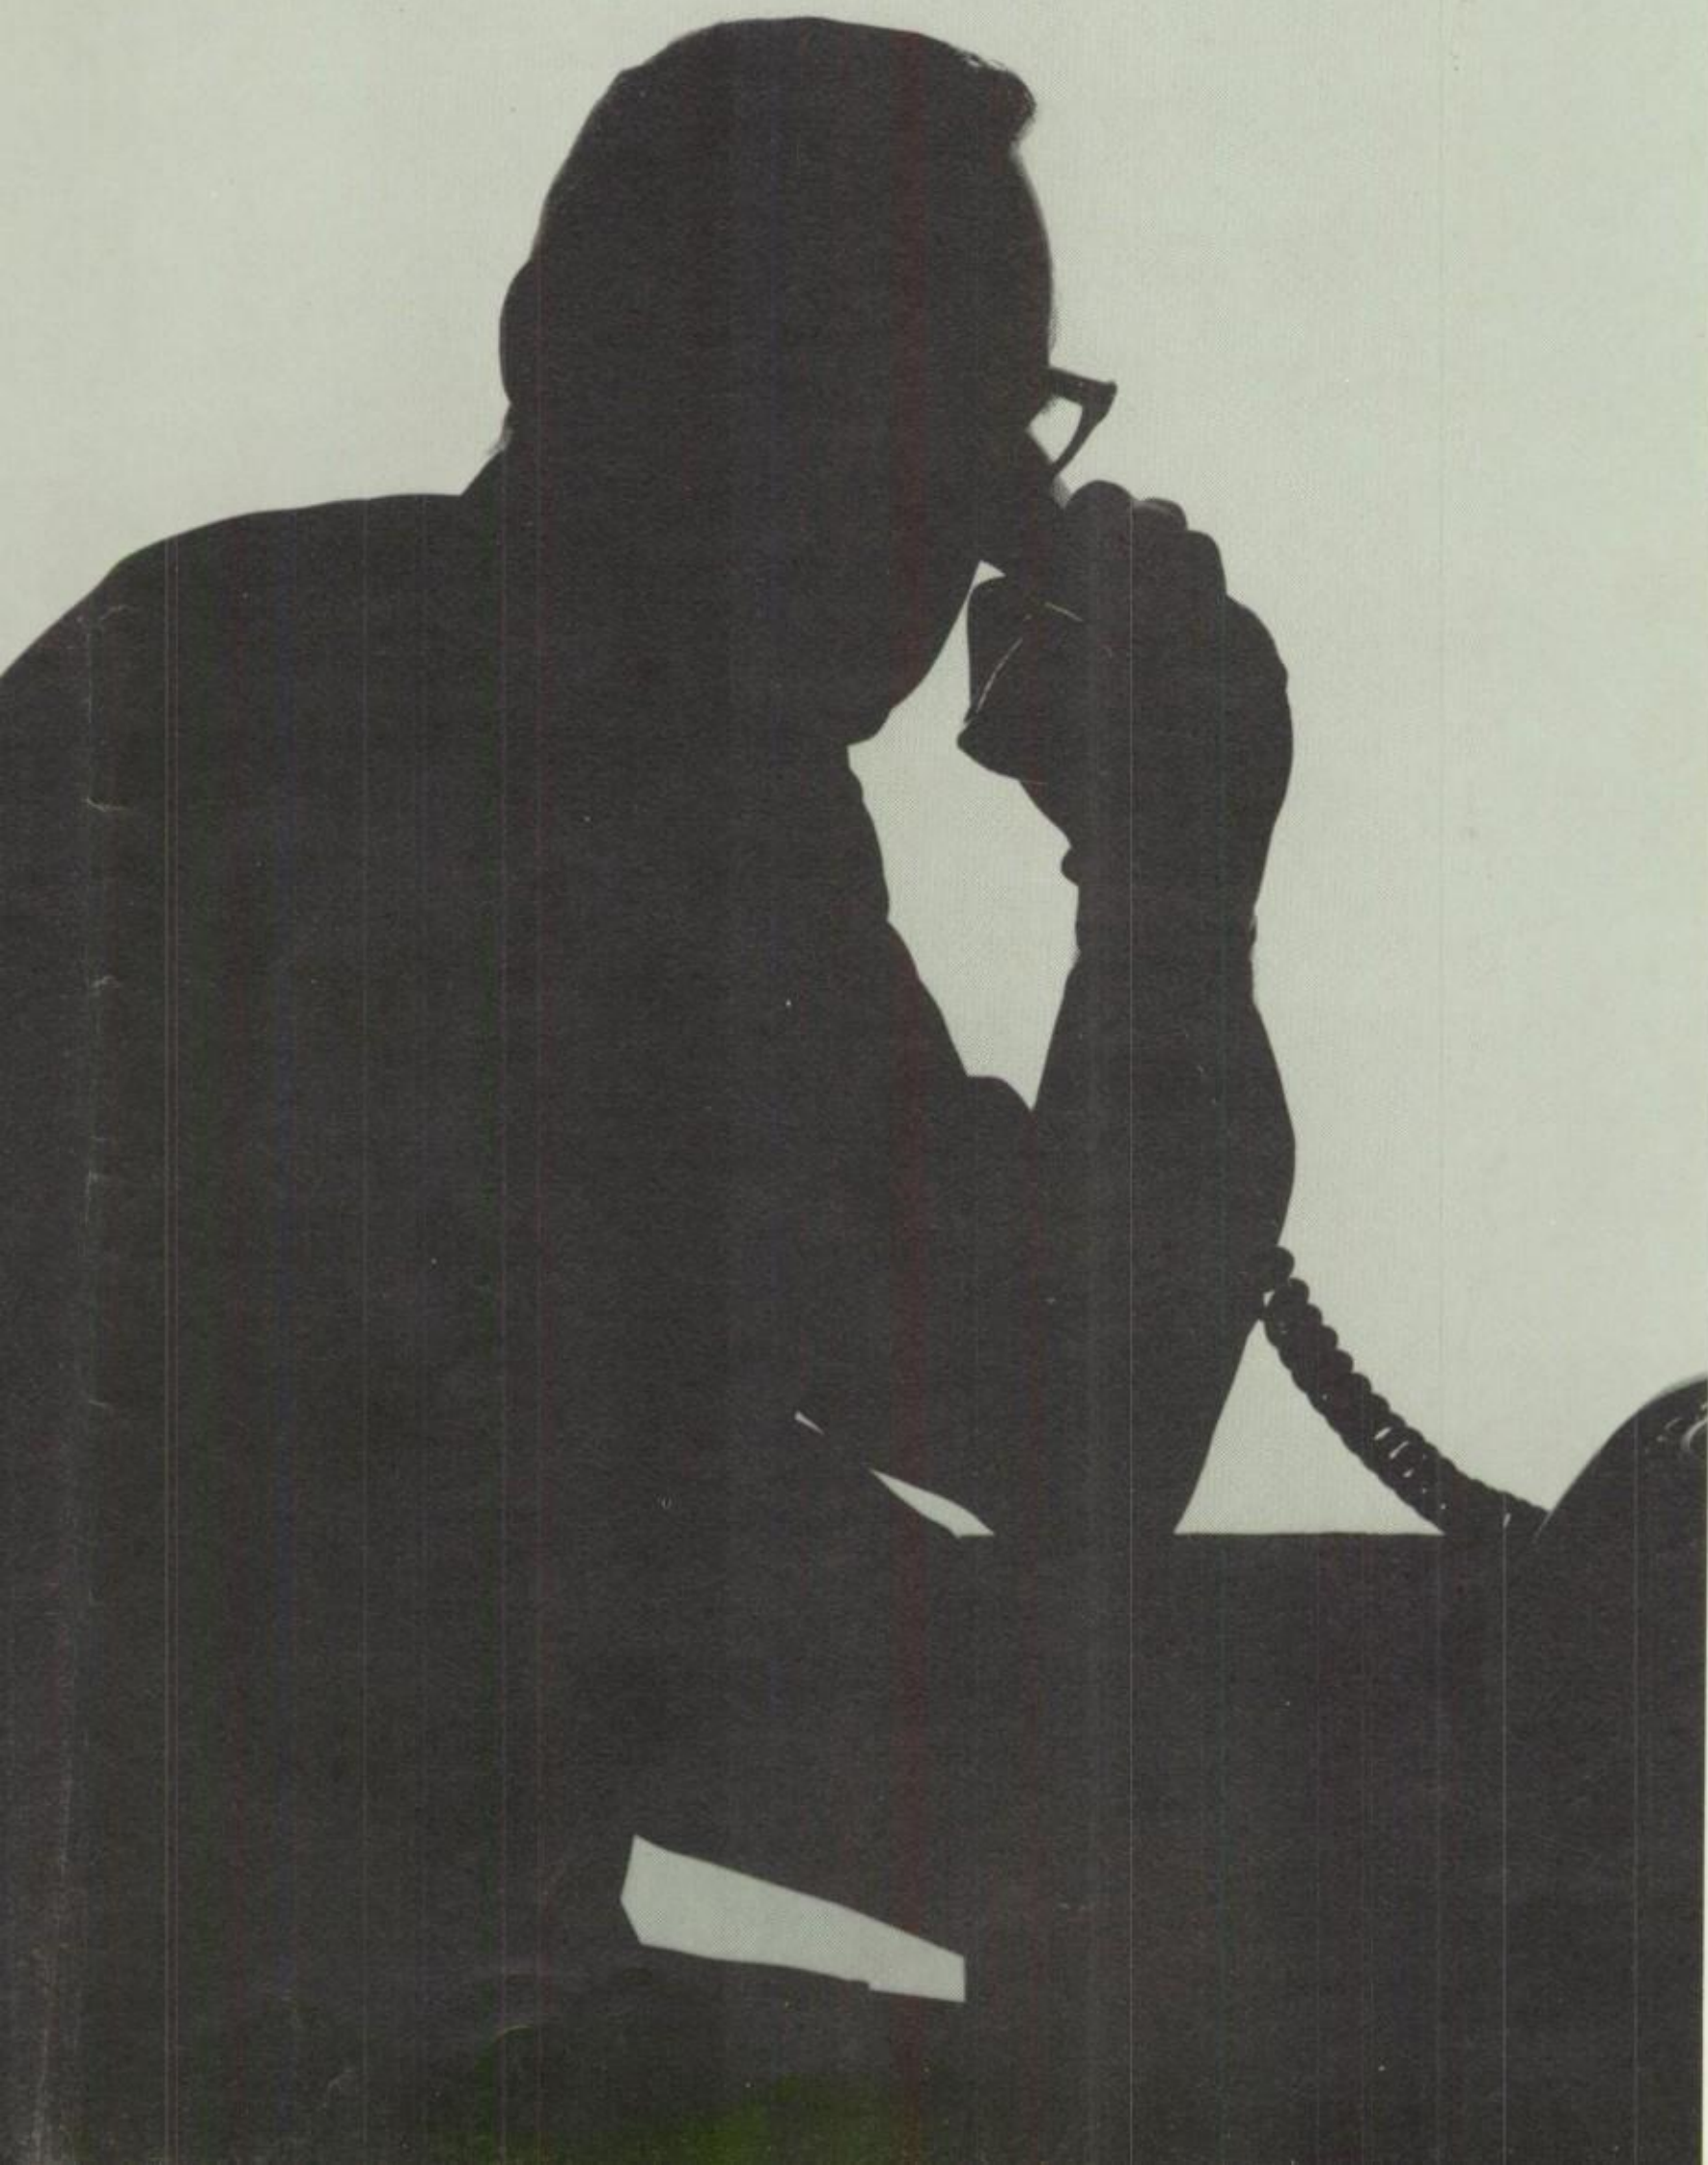

Oglesby, Texas

Oglesby to Host Abbott Saturday

Oglesby's high-flying, six-man Tigers will meet Abbott on Tiger Field at 8 p.m. Saturday night in a game that should prove to be a crowd-thriller.

By comparison of performances with mutual opponents, the Tigers are favored, but not enough for comfort. The Tigers tied Coolidge early this season, and Coolidge dropped Abbott, 32-40.

The Tigers boosted their record to 5-0-1 for the season last Friday night with a 40-0 victory over Morgan.

Leos kicked the extra point. A thirty-yard run by Charles Van diver brought the next count and a pass from Tommy Leos to Johnny Pitts collected the extra point, making the halftime score, 29-0.

A six-yard pass from Don McKelvain to Joe Pitts brought the first score in the second half. McKelvain passed to Philip Gomez for the extra point. Final score came on a 32-yard field goal by Tommy Leos for

Oglesby Tigers Will Meet Coolidge For First Home Game Friday

Fresh from their season-opening 65-58 (that's right!) victory over Star last Friday night, the Oglesby Tigers will play Coolidge Friday night in their first home game of the season.

Coolidge is apt to provide the Tigers with another stiff non-district test, as they romped over Jarrell 50-0 last Friday night in their opener.

Tiger offense looked especially good, Coach Jim McCune said. "But our defense left a

lot to be desired." He said the Tigers are spending a lot of time on defense this week.

McCune pointed to quarterback Sidney Ross and halfback Tommy Leos as being especially sharp offensively in the opener. He said Rocky Dunlap also had a hot hand in the passing department.

"Our offensive blocking was real crisp, but tackling was sloppy," McCune said. "Still, it

Veteran Oglesby Six Rated Strong Title Contender

Oglesby's Tigers, who finished second in the District 11-B six-man football derby last fall, are figured as surefire contenders again this fall and with good reason: on the 17-man squad are eight lettermen from last year's fine 8-2 club and these veterans are being pushed for starting berths by the eager and promising rookies.

Oglesby's breezy attack will be sparked by swift senior Tommy Leos, a running back deluxe. Other senior lettermen are Sidney Ross and Robert Marquez. Junior letter-winners are Donald Waddill, Johnny Pitts, Rocky Dunlap and Ronnie Sulphins. Soph Larry Ross won his

Six-man pick: Oglesby over Coolidge in another high-scoring stemwinder.

Six-man picks: Jonesboro to whip Buckholts tonight, Oglesby to measure Jarrell tomorrow night.

Jonesboro, Oglesby Favored to Win 10-B Openers

District 10-B six-man football action starts this week end, with the league's two Coryell sixes favored to walk away with triumphs.

Oglesby Facing Fewer Fireworks At Cranfills Gap

After a couple of crackling duels with attack-minded foes, the Oglesby Tiger footballers are due to find the going a bit easier Saturday night when they invade Cranfills Gap for their third non-district six-man football game of the season. Kick-off time is 8 p.m.

The speed-gaited Tigers are rated three-touchdown favorites.

Oglesby stands in need of a breather after a titantic 26-26 standoff struggle with Coolidge last Friday night and a 65-58 stemwinder with Star a week

Jonesboro and Oglesby clash Nov. 3 in a game billed as the district 10-B championship-decider. The Eagles have already beaten Abbott, 30-6, so some comparison of the two Coryell clubs will be available after the Oglesby-Abbott results are in.

Crack Six-Man Clubs to Open Season Tonight

Two Coryell County six-man football platoons armed with impressive arrays of weapons start attacking ambitious 1967 schedules tonight—the Jonesboro Eagles hawking down upon Iradell and the Oglesby Ti-

Jonesboro moved in front to stay on a 10-yard teedee trip by Ashby and a 2-point extra-point kick by Ray Sommerfeld in the second quarter.

THE EAGLES notched their third tally in the third quarter on a 60-yard pass-and-run play from Flanagan Nichols to Ashby. The Eagles were also on the march when the game ended.

Unbeaten Oglesby Tiger Six Hosts Oakwood Tonight

Oglesby's Tigers, with their defenses battened down and masterful runner Tommy Leos in top form, are picked to make it through September undefeated by tripping up an invading crew from Oakwood tonight.

Oglesby Picked To Whip Morgan

A high-g geared Oglesby football six, 4-0-1 for the season, is heavily favored to clip the Morgan team when the two clubs play tonight at Oglesby. Game time is 8 p.m.

Coach Jim McCune says his club can use a breather after moving undefeated through a demanding first-half schedule. Last week the Tigers dumped previously unbeaten Milano by a 38-30 count.

Trailing in the second quarter, the Tigers moved in front by an 18-16 count just before halftime and in the third quarter stretched that margin to 30-16. They coasted in from there.

Rocky Dunlap scored touchdowns on runs of 2 and 15 yards and passed to Johnny Pitts for 23 yards and a teedee for Oglesby. Other Tiger tallies came on a 1-yard slant by Tommy Leos and a 15-yard pass from Willie Leos to Charles Pittman. Tommy Leos booted one 2-point conversion.
